THANGKA FRAMING

Date _____

Name _____

Address _____

Postal Code _____ Phone _____ email _____

Thangka Iconography _____ Size _____ Value \$ _____

THE PROCESS: You ship (through the **postal service only**, DO NOT SHIP UPS OR FEDEX) or deliver the thangka, insured for full value, to me (please email for mailing address). After viewing and some consideration, I will send digital images with brocade possibilities until we find an agreeable combination (fabric as well as cost). You send a deposit. The construction of the frame and mounting of the painting generally requires 6 to 12 weeks. The framed thangka is then shipped back to you. At all times, your thangka is respected as sacred art and handled with great care.
